

## Goals Outlined By School Board

Six goals for 1987-88 were adopted by the Dansville Board of Education during its meeting last week.

The targets were recommended by the board's finance committee headed by Elwood Huff. They consist of:

• A salary plan for administration — Based upon a proposal made by Donald Bartolo, schools superintendent, the board is to consider establishment of such a plan for implementation by next July 1. Bartolo is to submit a preliminary proposal at the board's Dec. 8 meeting when it is expected to be referred to the Finance Committee for a final recommendation by Apr. 12.

• Developing a district-wide risk management program — Trustees will invite the district's insurance representative to a study session to discuss details of such a program. Following a review, the board will consider establishment of a District Risk Management team by July 1, to monitor areas of potential liability to the district.

• Revisions to the board's Policy Manual by Apr. 12, regarding:

smoking, student educational goals, AIDS, employee physicals, academic honor seniors. These will be referred to the Policy Committee for review and recommendation.

• The board will continue its practice of scheduling study sessions to address the need for regular curriculum review and other issues affecting student education. Meetings will be planned to include: A review of the district's guidance services and its special services; addressing student services and the needs of students with families in crisis; inviting the Teachers' Association for discussion of issues contained in recent studies and position papers on "Teaching as a Profession," and how the recommendations being advanced can enrich the teaching experience of the faculty.

• The board will insure that district properties are maintained in optimum condition with a planned schedule for replacement and/or upgrading of buildings and equipment. The finance committee will review the proposed capital projects plan and make recommendation for implementation for consideration by the board at its Mar. 8 meeting.

## Cubs are Waiting For 'Push' Races

Steuben Area Boy Scout Council, will stage its annual Cub Scout Pushmobile Derby at the Bath VA Center Saturday Sept. 26.

Teams of Cub Scouts race home-made cars over a 100-yard course with one boy pushing and one boy riding. At 25 yard intervals, the teams change and two more boys take over. At the 100 yard line, the Pushmobile is turned around and the car raced back, only this time the pusher becomes the rider and the rider the pusher.

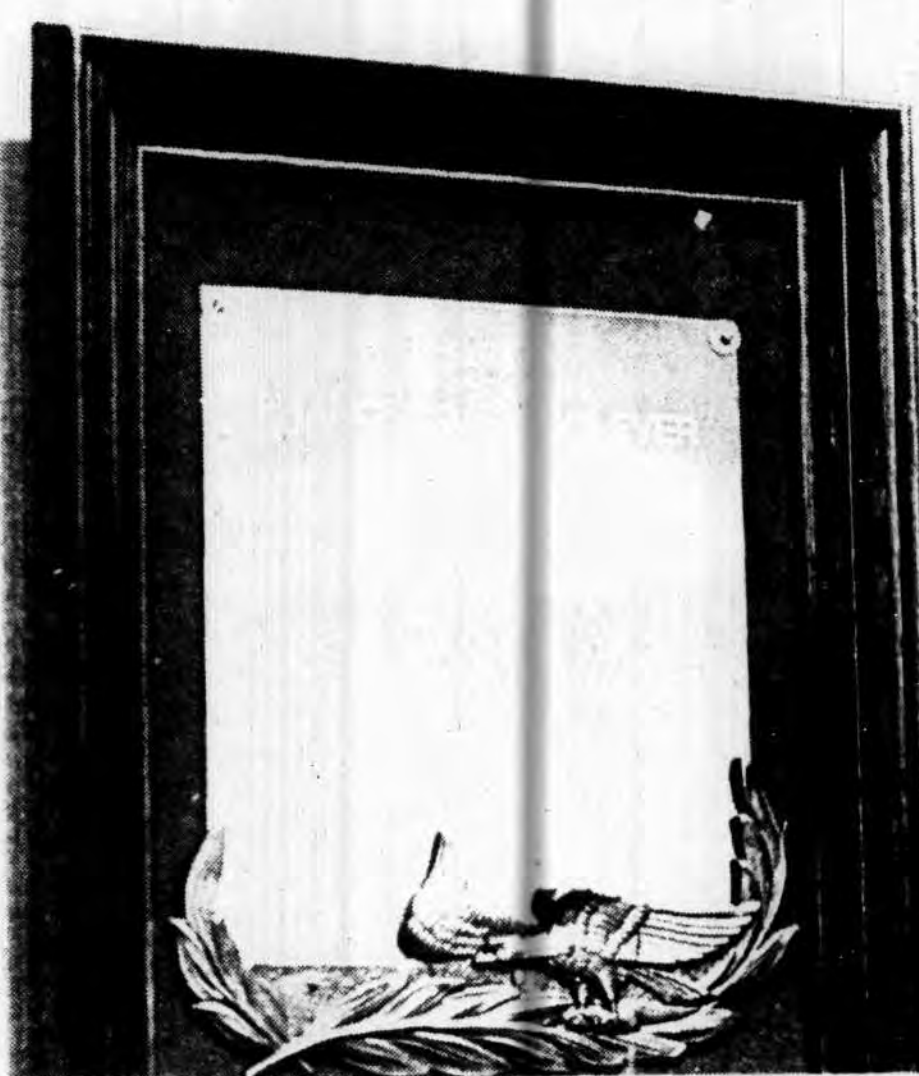

Trophies will be presented. The trophies will go to first, second, and third place winners in each age group. An overall champion trophy will also be presented. The public is invited to attend the 1 p.m. event.

## Village Code Report Filed

Tim Wolfanger, village building and fire code enforcement officer, reported his activities for the period of Aug. 10 through Sept. 8 to the Dansville Board of Trustees during the meeting last week.

He noted that construction is continuing on nine sites within the village, with most of them nearing the finishing stages. During the period he has made 15 inspections and follow-ups.

With construction slowing down, Wolfanger said he is planning to start fire inspections of public places and assembly and apartment houses.

**CITATION** — Longtime Dansville resident, Frances M. Woolever will observe her 100th birthday today at the Houghton Nursing Home where she resides and friends have planned a party which will include a greeting card from President and Mrs. Reagan. The above plaque from the Dansville Ambulance Co. also will be presented to Miss Woolever, a longtime supporter of the emergency program here, by the Rev. Ferdinand Kurz. The plaque inscription reads: "In Honor of Frances M. Woolever, Ambulance Corps Benefactor with Sincere Gratitude on the Occasion of Her 100th Birthday Sept. 17, 1987." Miss Woolever for many years was a society columnist for the Express.
